

Training Testimonials

"John Cann has an amazing talent and is a phenomenal teacher. I went to a Bar Room Brawl and learned a lot in the one day workshop and want to come back for more. I had a blast while learning first time bar room stunting in a safe, monitored environment. It was a great learning experience that I would highly recommend to anyone, those wanting to learn about the industry or those who just want to have some fun. 5 out of 5 stars from me!"
